1st Annual Sunnybrook Burn Symposium

Please join us on June 4, 2013 for the 1st Annual Sunnybrook Burn Symposium. This province-wide initiative will introduce Ontario’s burn care providers to the latest advancements in burn treatment, surgery, medication and post-operative care. Presentations will be made by a variety of burn surgeons, researchers, and specialists, including keynote speaker Dr. Richard L. Gamelli from the Stritch School of Medicine in Chicago. The Symposium is geared to all physicians (including residents), nurses, and therapists interested in discussing and addressing the needs and challenges facing burn care providers in this province.
