ONLINE ACCESS TO YOUR MEDICAL RECORDS

Developed by
 **Sunnybrook**
HEALTH SCIENCES CENTRE

ONLINE ACCESS TO YOUR MEDICAL RECORDS AND MORE...

- Access your medical and personal health information in one record.
- Access the Ontario Laboratories Information System - lab tests performed at community and hospital labs
- Monitor health status to help make decisions.
- Emergency information is quickly accessible no matter where you are.
- Avoid duplicating tests when you have access to recent test results at your fingertips in MyChart™.
- Share access to your medical and personal health information with multiple clinicians and family, keeping the right people informed.
- Take control of your health, at home with tools to help track health status and appointments, vaccinations, annual screenings such as colonoscopy, mammograms, physicals.
- You can better manage your own and family's health information all in one record.

FREQUENTLY ASKED QUESTIONS

Is MyChart™ Secure?

MyChart uses the same encryption as banks do for online banking. MyChart protects the privacy and security of each patient and we are in compliance with HIPPA (Health Insurance Portability and Accountability Act) and PIPEDA (Personal Information Protection and Electronic Documents Act).

Who can provide me with my hospital Medical Record Number?

If you are unsure of your hospital medical record number, ask your physician/clinician.

How does MyChart™ receive its information?

Directly from the health organization's clinical systems and from patient's self-entered information.

How long is the registration PIN valid for?

The registration pin is valid for 10 days, if it expires, the patient must contact MyChart support to get a new PIN.

Which browser is MyChart™ best compatible with?

We suggest using internet browsers such as Google Chrome or Firefox instead of Internet Explorer to view MyChart.
