# Reproducible Research Workshop with Dr. Richard Webster

**Date:** October 21<sup>st</sup>, 2024

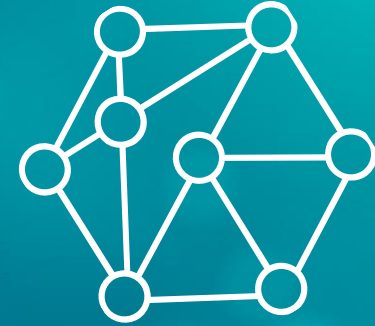

**Time:** 11:00 – 11:30 am

**Location:** Online

Join us for a very exciting event hosted by Dr. Richard Webster, Scientific Director of the Clinical Research Unit at the CHEO Research Institute. He will be discussing topics such as the importance of reproducibility of scientific studies, data management barriers for reproducible trials, and how to design a reproducible research workflow.
