Hello Neighbour,

Each year during the final weekend of Pride, The 519 hosts the **Green Space Festival (GSF)** featuring a series of signature events held at the Barbara Hall Park. The Festival, and other activities held during this important Pride month, have many positive impacts for our local neighbourhood and businesses.

Green Space Festival is The 519's biggest annual fundraising event that takes place during the month of Pride. Proceeds generated from Green Space Festival go to support The 519's unique programs and services, and enable us to provide free space for community-led organizations. The 519 is a Canada's most prominent 2SLGBTQ+ community centre and service provider, serving underserved local residents and 2SLGBTQ+ communities across Toronto and beyond.

Church St Lane Closure
 June 19-26
 Trac Management Plan

Set Up as per OTM Book 7
 Drawing Not to Scale

In order to facilitate smooth entry to the event, The 519 is applying for a **partial street closure from 6:00am June 19 to Monday 6:00am June 26th.**

This partial street closure will result in a single lane Northbound road closure from North side of Barbara Hall Park to the South side of Anvil Alley.

We found that this was a proven technique in order to be the least disruptive to our neighbours and allow for smooth entry to the festival space in a timely fashion.
