About CPNB

Course Description
This one-day preceptorship will provide participants with the knowledge and skills to manage patients with continuous peripheral nerve blocks for both in-patient and ambulatory care.

Objectives
At the end of the course – learners will be able to:
• Describe the benefits & risks associated with the use of peripheral nerve catheters and managing patients with continuous nerve blocks
• Describe criteria to select patients, equipment and an infusion strategy
• Educate the patient and other team members regarding the benefits and managing the risks of continuous peripheral nerve blocks
• Identify logistical barriers and common strategies to overcome these

Target Audience
• Specialist anesthesiologists in both community and academic centers
• Fellows/Residents (Anesthesiology & Orthopaedic Surgery)
• Orthopaedic Surgeons
• Other members of the team involved in managing these patients – RN’s, Pharmacists, Physiotherapists, Hospital Managers

Accreditation
This event has been approved for 7.0 Section 1 credits (Royal College of Physicians and Surgeons of Canada)

Registration & Cancellation Policy

Registration Fee:
Includes: curriculum, course materials (printed and digital), breakfast, lunch and refreshments.
Total: $300.00

Method of Payment:
• Cheque payable to: Sunnybrook Health Sciences Centre
• Memo: CPNB Preceptorship

Application Process:
Forms and instructions may be obtained by contacting:
Shelly Au, Clinical Research Coordinator
Department of Anesthesiology
Sunnybrook Health Sciences Centre
2075 Bayview Avenue, Rm M3-200
Toronto, Ontario, M4N 3M5
T: (416) 480-6100 ext 89607  F: (416) 416-480-6039
E: Shelly.Au@sunnybrook.ca

Mail complete applications, including payment to the contact above. Applications must be received by April 24th for the May 22nd course.

Cancellation Policy:
A refund will be made, less a $50 processing fee, if cancellation is received in writing 2 weeks prior to the event. After this date no refund will be given. The Planning Committee reserves the rights to cancel or move the conference should it become necessary. In this case, each registrant will be notified by email and a full refund will be given. Therefore it is important that you provide us with an email address.

Supported by an unrestricted educational grant from:

CONTINUOUS PERIPHERAL NERVE BLOCKS FOR MAJOR ORTHOPAEDIC SURGERY

CPNB Preceptorship Courses:
Friday, May 22, 2015
Friday, October 23, 2015

Fully affiliated with the University of Toronto
Continuous Peripheral Nerve Blocks for Major Orthopaedic Surgery

CPNB Preceptorship Course
Course Dates:
May 22nd 2015
October 23rd 2015
Time: 7:30 a.m. – 3:30 p.m.
Holland Orthopaedic & Arthritic Centre
43 Wellesley Street East
2nd Floor Conference Room Toronto,
ON M4Y 1H1

Subject Areas To Be Covered Will Include
• Why use continuous peripheral nerve blocks?
• Practical tips and tricks of inserting and managing patients with CPNB’s
• Prevention of adverse events and risk management for both inpatient and outpatient continuous catheter use
• Surgical, pharmacy, physiotherapy and nursing perspectives on the advantages and limitations of continuous peripheral nerve blocks
• Equipment required, infusion techniques and organization required for placement of these techniques
• The place of continuous peripheral nerve blocks in multimodal analgesia and postoperative pain control
• Administrative challenges of organizing and maintaining a CPNB program

Education Formats
• Mini didactic lectures
  (with minimum 25% time for interaction)
• Visit to Block room
• Visit inpatients with continuous nerve blocks
