

Go Behind the Scenes of Sunnybrook's ED and Trauma Unit

January 10, 2008

Sunnybrook's Emergency Department and Regional Trauma Centre will be officially opening Phase 1 of its new building at the end of the month and this event is an opportunity for you to see the new space before it is open for patients.

YOU ARE INVITED
TO GO BEHIND THE SCENES
OF SUNNYBROOK'S
ED AND TRAUMA UNIT

Thursday, January 17
6pm - 8pm
A-Wing, Ground Floor

Refreshments will be served

To celebrate the completion of Phase II
of the ED expansion project,
we will be holding a community
open house
in the new half before it is open
to the public.

THIS IS AN OPPORTUNITY
YOU DON'T WANT TO MISS!

 **Sunnybrook**
HEALTH SCIENCES CENTRE

The new space will be larger but will have the same patient capacity as the old space until the new department is entirely complete. As this new space opens, the old (existing) ED will be closed and renovated. This Phase 1 opening represents a significant milestone in the construction project which is still on track for total completion by the end of the calendar year. Please join us in celebrating this great achievement.
