

Abstracts

2007

- Tomat L, Murphy K, Armson BA, Hewson S. Recruitment strategies targeted to the end of a trial. *Society for Clinical Trials Journal*, 2007.
- Tassopoulos C, Hewson S, Barrett J, Armson BA. The challenges of follow-up in the multicentre randomized controlled trials. *Society for Clinical Trials Journal*, 2007.
- Kavuma E, Tomat L, Hewson S, Asztalos E, Armson BA. The process of obtaining contractual agreements and translations in a 5 year follow-up study. *Society for Clinical Trials Journal*, 2007.
- Edwards S, Hewson S, Armson BA, Hutton E. A strategy for data monitoring in a publicly funded, large, multi-centre, international randomized controlled trial. *Society for Clinical Trials Journal*, 2007.
- Chan S, Shi M, Yang C, Armson BA, Hewson, S. The design and implementation of a centralized contacts database for coordinating several multicentre RCTs. *Society for Clinical Trials Journal*, 2007.
- Yang C, Shi M, Hewson S, Armson BA. Reusing Teleform objects to quickly build up data collection forms for a new clinical trial. *Society for Clinical Trials Journal*, 2007.
- Shi M, Chan S, Hewson S, Armson BA. Building a paper-web hybrid data capture system for international multi-centre clinical trials. *Society for Clinical Trials Journal*, 2007.

2006

- Gafni A, Hannah M, Palencia R, Ross S, Willan A, Hewson S, McKay D. The costs of planned caesarean section versus planned vaginal birth in the Term Breech Trial. *JOGC* 2006;28:414. Annual Meeting of the Society of Obstetricians and Gynaecologists of Canada. Vancouver, BC.
- Magee L, von Dadelszen P, Chan S, Gafni A, Gruslin A, Helewa M, Hewson S, Kavuma E, Lee S, Logan A, McKay D, Moutquin J-M, Ohlsson A, Rey E, Ross S, Singer J, Willan A, Hannah M for the CHIPS Pilot Trial Collaborative Group. The CHIPS Pilot Trial. *JOGC* 2006;28:416. Annual Meeting of the Society of Obstetricians and Gynaecologists of Canada. Vancouver, BC.
- Sarah A Edwards, Ariadna Fernandez, Darren McKay, Sheila Hewson, Eileen Hutton. Joint coordination of a large multicentre, international randomized controlled trial: The Early External Cephalic Version 2 Trial experience. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):28.
- Nkemjika Ubochi, Laura Tomat, Sheila Hewson, Kellie Murphy. Data management: Maintaining efficiency without compromising procedural integrity. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):38.
- A.D. Fernandez, E.K. Hutton, S. Edwards, S. Hewson. Investigating patterns of recruitment across three, large, multi-centre, international RCTs. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):48.
- Sheila Hewson, Eileen Hutton. Thoughts on the effect of increased regulatory requirements for publicly funded RCTs. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):51.
- Edna Kavuma, Sheila Hewson, Laura Magee. Evaluating eligibility of potential recruits: A post-recruitment perspective. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):P05.
- Sunny Chan, Darren McKay, Michael Shi, Sheila Hewson. Paper-based versus web-based data collection for international multicentre trials. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):P12.
- Laura R. Tomat, Sarah Dyer, Sheila Hewson, Kellie Murphy. Shipping study drug for an international multi-centre trial: A successful case scenario. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):P43.
- Christine Tassopoulos, Dalah Mason, Sheila Hewson, Jon Barrett. Moving from recruitment to follow-up: The data coordinating centre perspective. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):P44.
- Dalah Mason, Christine Tassopoulos, Sheila Hewson, Jon Barrett. The challenges of coordinating an international trial requiring questionnaires in several languages. Annual meeting of the Society of Clinical Trials. Orlando, Florida, May 2006. *Clinical Trials* 2006, 3:(S1):P46.
- Armson BA, Hannah M, Hewson S, Walker M, Crowther C, Dodd J, Robinson J. POPPI: Prevention problems of preterm birth with progesterone in women at increased risk: A multicentre randomized controlled trial. 30th Annual Perinatal Investigators Meeting. Kingston, ON. November 2-4, 2006.

2005

- Palencia R, Gafni A, Ross S, Willan A, Hewson S, McKay D, Hannah M. Challenges of conducting the cost analysis of the Term Breech Trial. Annual Meeting of the Society for Clinical Trials, Portland, Oregon, USA; Controlled Clinical Trials 2005.
- Mason D, Tassopoulos C, Hewson S, Barrett J, Hannah M. Development of the process for the adjudication of primary outcomes in the Twin Birth Study. Annual Meeting of the Society for Clinical Trials, Portland, Oregon, USA; Controlled Clinical Trials 2005.
- Tassopoulos C, Mason D, Shi M, Hewson S, Barrett J, Hannah M. The process for tracking supporting documents in the Twin Birth Study. Annual Meeting of the Society for Clinical Trials, Portland, Oregon, USA; Controlled Clinical Trials 2005.
- Kavuma E, Hewson S, Hannah M, Magee L. Assessing clinician compliance in the CHIPS Pilot Trial. . Annual Meeting of the Society for Clinical Trials, Portland, Oregon, USA; Controlled Clinical Trials 2005.
- Hewson S, Hannah M, Barrett J, Hutton E, Magee L. Defining sponsorship in collaborative clinical trials. . Annual Meeting of the Society for Clinical Trials, Portland, Oregon, USA; Controlled Clinical Trials 2005.
- Palencia R, Gafni A, Ross S, Willan A, Hewson S, McKay D, Hannah M. The costs of planned cesarean versus planned vaginal birth in the Term Breech Trial. Annual Meeting of the Society of Maternal Fetal Medicine, Miami Beach, Florida, Am J Obstet Gynecol 2005;193:S124.
- Crane J, Butler B, Young D, Hannah M. Misoprostol for labor induction in women at term with intact membranes and an unfavorable cervix: a systematic review. Annual Meeting of the Society of Maternal Fetal Medicine, Miami Beach, Florida, Am J Obstet Gynecol 2005;193:S40.

2004

- Hewson S, Ross S, Hannah M. Growth and development of a data co-ordinating centre: the MIRU experience. Annual Meeting of the Society for Clinical Trials, New Orleans, LO. Controlled Clinical Trials 2004;2:211S:#7.
- Kiehn L, Hewson S, Ross S, Hannah M, Magee L. Development of the patient diary to assess clinicians' compliance in the CHIPS Pilot Trial. Annual Meeting of the Society for Clinical Trials, New Orleans, LO. Controlled Clinical Trials 2004;2:249S:#P42.
- Okun N, Gronau KA, Hannah M. A systematic review of antibiotic treatment for bacterial vaginosis or trichomonas infection in pregnancy. SOGC, Edmonton, June 25-29, 2004; JOGC 2004;26:S18.
- Hannah M, Whyte H, Hannah W for the Term Breech Trial Collaborative Group. Maternal outcomes at 2 years postpartum in the Term Breech Trial. SOGC, Edmonton, June 25-29, 2004; JOGC 2004;26:S26.
- Whyte H, Hannah M, Saigal S for the Term Breech Trial Collaborative Group. Outcomes of children at 2 years of age in the Term Breech Trial. SOGC, Edmonton, June 25-29, 2004; JOGC 2004;26:S27.
- Okun N, Pramod R, McKay D, Kiehn L, Hewson S, Ross S, Hannah M. Current practice and opinion on cerclage for the sonographically short cervix. SOGC, Edmonton, June 25-29, 2004; JOGC 2004;26:S29.
- Mackenzie R, Walker M, Hannah M. Systematic review of randomized controlled trials of prostaglandin agents for the prevention of preterm birth. SOGC, Edmonton, June 25-29, 2004; JOGC 2004;26:S33.
- Walker M, Armson A, Hannah M. Progesterone for the prevention of preterm birth in at risk women: a proposed multicentre randomized controlled trial. SOGC, Edmonton, June 25-29, 2004; JOGC 2004;26:S37.

2003

- Su M, McLeod L, Ross S, Willan A, Hannah WJ, Hutton E, Hannah M for the TBT Collaborative Group. Factors associated with adverse perinatal outcome in the Term Breech Trial. SMFM, San Francisco, February 3-8, 2003. Am J Obstet Gynecol 2003;187:S69 (#41).
- McLeod L, Su M, Ross S, Hannah WJ, Willan A, Hutton E, Hannah M for the TBT Collaborative Group. Predictors of maternal mortality or serious maternal morbidity in the Term Breech Trial. SMFM, San Francisco, February 3-8, 2003. Am J Obstet Gynecol 2003;187:S100 (#142).
- Hutton E, Hannah M for the ECV2 Trial Group. The Early External Cephalic Version (ECV) 2 Trial: Proposed Study. 4th World Congress on Controversies in Obstetrics, Gynecology & Infertility. Berlin, Germany, April 24-27, 2003.
- Murphy K, Hannah M for the MACS Collaborative Group. MACS – Multiple Courses of Antenatal Corticosteroids for Preterm Birth. 4th World Congress on Controversies in Obstetrics, Gynecology & Infertility. Berlin, Germany, April 24-27, 2003.
- Barrett J, Hannah M for the Twin Birth Study Group. Twin Birth Study (TBS): Trial in Progress. 4th World Congress on Controversies in Obstetrics, Gynecology & Infertility. Berlin, Germany, April 24-27, 2003.
- McLeod L, Su M, Ross S, Hannah WJ, Willan A, Hutton E, Hannah ME. Predictors of Maternal Mortality or Serious Maternal Morbidity in the Term Breech Trial. SOGC Annual Conference, Charlottetown, PEI. June 25-30, 2003.
- Su M, McLeod L, Ross S, Willan A, Hannah M. Factors Associated with Adverse Perinatal Outcome in the Term Breech Trial. SOGC Annual Conference, Charlottetown, PEI. June 25-30, 2003. (Poster)

- Belej-Rak T, Okun N, Windrim R, Ross S, Hannah M. Effectiveness of cervical cerclage for a sonographically shortened cervix – a systematic review and meta-analysis. SOGC Annual Conference, Charlottetown, PEI. June 25-30, 2003.
- Wise MR, Bodely J, Shapiro H, Pittini R, McKay D, Willan A, Hannah ME. Factors affecting academic promotion in Obstetrics and Gynaecology in Canada. SOGC Annual Conference, Charlottetown, PEI. June 25-30, 2003. (Poster)
- Pramod R, Okun N, Ross S, Hannah ME. Survey of transvaginal ultrasound and cerclage practices among Canadian obstetricians. SOGC Annual Conference, Charlottetown, PEI. June 25-30, 2003. (Poster)
- Ross S, Karahalios E, Lovatsis D, Soroka D, Drutz H, Hannah ME. Measuring the impact of urinary incontinence (UI) in women. SOGC Annual Conference. Measuring the impact of urinary incontinence (UI) in women, Charlottetown, PEI. June 25-30, 2003. (Poster)
- Bujold E, Hutton EK, Hannah ME for the developing BACS Collaborative Group. Birth after a cesarean (BACS) Trial: A RCT comparing trial of labor vs. elective cesarean at term in patients with a single prior cesarean. SOGC Annual Conference, Charlottetown, PEI. June 25-30, 2003. (Poster)
- Zhang J, Hewson S, McKay D, Stalker S, Ross S, Hannah M, Murphy K. Data cleaning process: doing it well with minimal resources. Annual Meeting of the Society for Clinical Trials, London, UK. *Controlled Clinical Trials* 2003;23:217S:#P247.
- McKay D, Hutton E, Hewson S, Ross S, Hannah M. A method to automate scoring of visual analogue scales. Annual Meeting of the Society for Clinical Trials, London, UK. *Controlled Clinical Trials* 2003;23:120S:#P53.
